Mary Greenlaw called the meeting to order.

Lillian Greathouse was back to discuss the proposed changes from Business Education, Family and Consumer Sciences Education, and Technology Education. She presented revisions that were made to the proposals she had first presented at the February 22, 1999, meeting. Following discussion, the new course proposals/revisions for BED/FCS/INT 2000 and 3400, BED 3401, and BED 3402 were approved.

The second curricular change request involves adding Physical Science as a subject area for ELE majors who have the middle school option. Following discussion, these proposals were approved.

The meeting was adjourned at 3:00 p.m.
